To Whom it May Concern

Re: Kevin Springall Reference

We are pleased to be able to provide a reference for Kevin Springall. He has worked for us since December 2008 as Gardener/Handyman.

During that time Kevin has transformed our large garden (around 2 acres) into a low maintenance garden. Kevin has constructed dry stone walls, timber garden surrounds, new garden beds, and carried out general garden maintenance activities.

Kevin is polite, cheerful, and not afraid of hard work. He has proven trustworthy, and we have been comfortable leaving him to work unsupervised on many occasions. He is well presented and well spoken. He has shown a good knowledge of horticultural practices.

In summary we would recommend Kevin for *any* Garden position that requires a high level of knowledge. We have no hesitation in recommending the adoption of his suggestions in relation to garden development.

Please contact us if you wish to discuss any of the above items further.

Regards
